\_\_\_\_ Non-Restrictive/Regular Decision is *not* an early round application, and you'll be compared to a larger pool of applicants. It is not binding, and you can apply Regular Decision to as many schools as you would like.

\_\_\_\_ Early Action indicates that you're very interested in a school, and it can help you receive college decisions earlier and begin narrowing down your choices. Most schools allow you to apply Early Action to multiple colleges and universities. You aren't required to notify the school of your decision to attend until May 1, the same "college deadline day" as Regular Decision.

\_\_\_\_ Restrictive Early Action, you may *not* apply to any other schools in the early rounds. Applicants are expected to sign a statement that they agree to file only one early application.
