Audition Practice tips from Dr. Iles:

3.
 - x Write down specific practice and tempo goals. Keep raising the bar each day.
5. Listen to different recordings.
 - x You will not sound exactly like the recording. Use them to get an idea of how you would like to play the piece.
6. Be Positive
 - x Sometimes you will reach your goals and sometimes you will feel like you are moving backwards. Even on tough days, you are still making progress. Practice everyday and know that it is worth it.
