

ETHICAL REASONING VALUE RUBRIC

For more information, please contact value@aacu.org

The VALUE rubrics were developed by teams of faculty experts representing colleges and universities across the United States through a process that examined many existing campus rubrics and related documents for each learning outcome and incorporated additional feedback from faculty. The rubrics articulate fundamental criteria for each learning outcome, with performance descriptors demonstrating progressively more sophisticated levels of attainment. The rubrics are intended for institutional-level use in evaluating and discussing student learning outcomes. **5. (a) Ethical Reasoning/Concepts** Students utilize ethical reasoning skills and learn how to describe and analyze positions on ethical issues. Presumably, the issues.
